Black Cyclist - A smooth blend carrying flavours of almonds, malt and a hint of spice. This striking combination delivers a strong character and richness in the cup with a lingering caramelised aftertaste. *Our medium tasting roast.*

Mad Monkey - An honest blend with a strong clean hit to the palate carrying notes of juicy black-cherries, sweet toffee and subtle fragrance of jasmine flowers. *Our strongest tasting roast.*

Our single origin of the day - please check the signage above the coffee machine and ask staff for assistance. *Our mildest tasting roast.*
